THE HONOURABLE SRI JUSTICE N.V.RAMANA

W.P.M.P. NO. 6060 OF 2006

(on being mentioned)

IN

W.P. NO. 21793 OF 1997

ORAL ORDER:

Seeking to correct the typographical errors that crept in the judgment dated 27-3-2005 passed in W.P. No. 21793 of 1997, the petitioner filed this petition.

As can be seen from the judgment, the petitioners herein filed WP No. 9209 of 1995, in the earlier round of litigation, but inadvertently, the writ petition is described as 9209 of 2005 instead of 9209 of 1995. Therefore, the writ petition No. shall be read as 9209 of 1995 instead of 9209 of 2005, wherever it occurs.

Further in paragraph No.4 on page 3 of the judgment, line No.7 shall be read as under:

" of that order and future payments commencing from November, 1995 shall be made" instead of " of that order and future increments commencing from November, 1995".

Lastly, having perused the record and the tenor of the arguments, the operative portion of the judgment i.e. last paragraph of the judgment shall be read as under:

"…In the above view of the matter, and having regard to the specific directions of this Court in W.P.No.9209 of 1995, dated 29-09-1995 directing the respondents to pay pension to the petitioners under the special scheme of pension from the date of their respective applications, i.e. from 12-10-1981 to the first petitioner and from

20.9.1981 to the second petitioner and the writ petition is allowed. Since the second petitioner died, the pension for the period from 20-09-1981, the date on which the application made for grant of pension, to till the date from which the second petitioner was granted pension on the basis of the recommendations of the State Government, shall be paid to the legal heir of the second petitioner, namely the third petitioner, who is his wife and who was brought on record vide order of this Court passed in W.P.M.P. No. 5428 of 2004, dated 07-03-2005. The whole exercise shall be done within a period of three months from the date of receipt of a copy of this order…"

With these corrections, the application is ordered. The Registry is directed to dispatch the corrected copy forthwith.
